Quality Policy

It is the policy of Buxton Water Ltd to maintain a quality system designed to meet the requirements of ISO9001:2015 (or any other standard in line with Annex SL Structure) in pursuit of its primary objectives, the purpose and the context of the organisation.

It is the policy of Buxton Water Ltd to:

- continue to operate and trade in such a way that satisfies the requirements of all of our customers whenever possible, meeting and exceeding their expectations;
- comply with all legal requirements, codes of practice and all other requirements applicable to our activities;
- promote the reduction of hazards, prevention of injury, ill health and pollution;
- provide all the resources of equipment, trained and competent staff and any other requirements to enable these objectives to be met;
- Train and develop as required to achieve a minimum of 100% of senior operators holding CSCS Skilled Worker Blue Cards within 2 years of employment;
- ensure that all employees are made aware of their individual obligations in respect of this quality policy;
- maintain a management system that will achieve these objectives and seek continual improvement in the effectiveness and performance of our management system based on "risk".

This quality policy provides a framework for setting, monitoring, reviewing and achieving our objectives, programmes and targets.

Customer service is an essential part of the quality process and to ensure this is fulfilled, all employees receive training to ensure awareness and understanding of quality and its impact on customer service.

To ensure the company maintains its awareness for continuous improvement, the quality system is regularly reviewed by senior management to ensure it remains appropriate and suitable to our business. The Quality System is subject to both internal and external annual audits.
